

IIIrd ALUMNI
ANNUAL CONVENTION

TRIVANDRUM MEDICAL COLLEGE
ALUMNI ASSOCIATION

www.tvmmcalumni.org
tvmmcalumni@yahoo.co.in

4th JANUARY 2009, SUNDAY
VENUE : OLD AUDITORIUM.
MEDICAL COLLEGE, TRIVANDRUM

Dear friends,

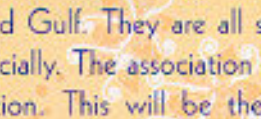

Let us at the outset Wish You a

Merry Christmas & Happy New Year.

As you may remember, our alumni association was founded only in September 2006. This being our third annual convention, it gives us an opportunity to look back and take stock of our achievements during this time. As you know our newly started Information centre of the Trivandrum Medical College near the entrance of the hospital is a highly sought after facility by patients and relatives. The drug information centre located in this building is also very popular among doctors and patients. The Alumni Association had promised earlier to takeover 2 wards of the hospital. As part of the scheme we will soon be taking over the BURNS WARD in the Trivandrum Medical College for upgradation as a modern burns unit. The remuneration for the staff in the burns unit will also be paid by our association. Last year we had sponsored scholarships to 30 medical students and the same was distributed in the last annual convention by our Health Minister. Another 30 students will receive scholarships this year. The executive committee has recently approved bye-laws of our association after exhaustive discussions.

We are happy to announce that we have decided to institute two orations, one in the name of Padmashri Dr.K.N. Pai the most well-known physician in Kerala and Dr. R .Kesavan Nair one of the most eminent surgeons of Kerala. Eminent personalities like Dr. Anbumani Ramadoss and Padma Vibhushan Dr.M.S Valiathan have consented to give these orations. We had also promised to renovate and refurbish the old auditorium of the Trivandrum Medical College. This will be taken up immediately, certainly before the annual convention.

As you are aware we had formed chapters of the alumni association in USA, UK and Gulf. They are all supporting the parent association morally and financially. The association now will have a fixed date for its annual convention. This will be the 1st Sunday of the

New Year. This will help our overseas friends to make arrangements for travel sufficiently early to attend this convention in large numbers. We will also have a mid term convention either in June or July of every year.

We should admit that we had been able to carry out all these activities because of the whole hearted support extended to the committees of the association by all of you. We earnestly solicit your continued cooperation and support for all the activities of the association
